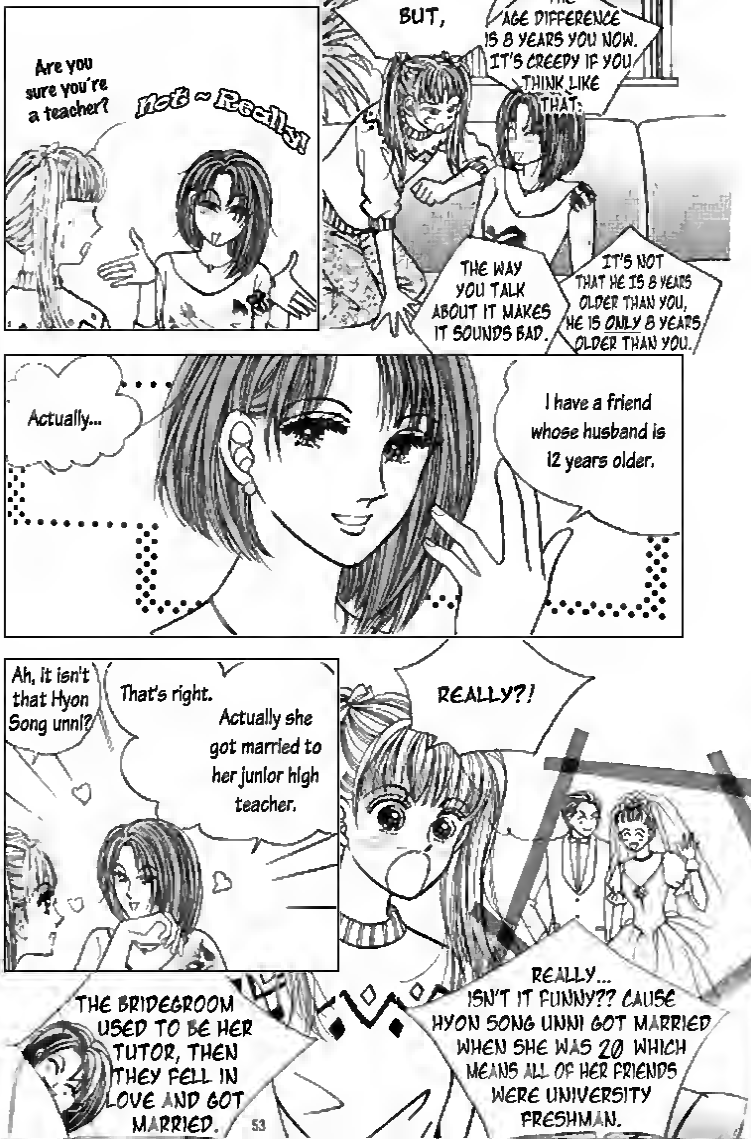
It's not strange at all to think that way.



Are you sure you're a teacher?
Not ~ Really
BUT,
THE AGE DIFFERENCE IS 8 YEARS YOU NOW. IT'S CREEPY IF YOU THINK LIKE THAT.
THE WAY YOU TALK ABOUT IT MAKES IT SOUNDS BAD.
IT'S NOT THAT HE IS 8 YEARS OLDER THAN YOU, HE IS ONLY 8 YEARS OLDER THAN YOU.
Actually...
I have a friend whose husband is 12 years older.
Ah, it isn't that Hyon Song unni?
That's right.
Actually she got married to her junior high teacher.
REALLY?!
THE BRIDEGROOM USED TO BE HER TUTOR, THEN THEY FELL IN LOVE AND GOT MARRIED.
REALLY... ISN'T IT FUNNY?? CAUSE HYON SONG UNNI GOT MARRIED WHEN SHE WAS 20 WHICH MEANS ALL OF HER FRIENDS WERE UNIVERSITY FRESHMAN.

But the bridegroom's friends were all "uncles". I will show you some pictures later.
It is still funny when I think about it
Ha Ha Ha Ha Ha
THE "UNCLES"
Auntie you're 27 already, why are you still single?

What does the teacher extending the homework deadline have to do with our class president being a nice person?
MORAN!
Do you think our strict homeroom teacher would let us off and even extend the homework deadline this easy? It's because our class president convinced our homeroom teacher because she is our beautiful class president.
A bit different from what he said before.
NO DOUBT ABOUT IT.
Even though she is angry she can't talk back to Too Young.

Humph....
Is that so?

Class President with hanbok would look like this?
